Below is a current list of our informational meetings. These informational meetings will help you understand what the tour package includes. The cost of the tour, payment schedules, important dates and how to get trip protection insurance will be some of the topics covered. The meeting will also include a presentation about the experiences you can expect during the Pre-Tour Rehearsals and the European tour. Specific information regarding travel, accommodations, meals and venues overseas will be discussed.

In general, you should plan to attend the meeting nearest your home. If you can't make that meeting, you may attend any other meeting that fits your schedule.
